About Me

I am a Graphic & Concept Designer based in Jaipur. I have done B Tech in Computer Science Engineering with a little work experience in Web Development (mostly in MEAN Stack Technology). My professional skill set includes video/photo editing and Web/UI designing on *Adobe Premiere Pro CC*, *Adobe Photoshop CS5*, *Adobe Illustrator*, *Adobe XD* and *Cyberlink PowerDirector 17*. Strong base of knowledge and skill in design, visual layouts, colors and drawing.

Photography has always been the north star of my life, majorly landscape, wildlife, portraits and macros. Nature, simplicity and people lives always spark a irresistible passion in me and I always try to find a missing prospect in all of them.
