About Me

I am a Graphic & Concept Designer based in Jaipur. I have done B Tech in Computer Science Engineering with some work experience in Web Development (mostly in MEAN stack technology). My professional skill set includes video/photo editing and Web/UI designing on *Adobe Premiere Pro CC, Adobe Photoshop CS5, Adobe Illustrator, Adobe XD and Cyberlink PowerDirector 17. Strong base of knowledge and skill in design, visual layouts, colors and drawing.*

Photography has always been the north star of my life, majorly landscape, wildlife, portraits and macros. Nature, simplicity and people lives always spark a irresistible passion in me and I always try to find a missing prospect in all of them.
